

The Little Bear Who Counted Stars

A sleepless night and cozy footsteps in search of starlight in the forest.

A Night Without Sleep

Tossing and turning, still wide awake, while moonlight fills the little room.

Walking the Night Forest Path

Crunching over dry leaves, he walks into the quiet forest.

Counting the Stars One by One

Sitting on a rock on the hill, he quietly points out the stars in the sky.

Sleep Washes Over Him

Just as he quietly counts the stars, a big yawn puffs up softly.

Sweet Sleep Under the Stars

In sweet dreams, he falls asleep with the stars that light up the whole night.
