

10 Years in the Making

Sturdy Solid Wood Furniture from Seongsu

We honestly craft solid wood desks
and cabinets in an alley in

Made to Order

Solid Wood Desks in Any Size

Carefully shaped to bring out the grain, fitted to your space and use.

- Precise cutting
- Hand-planed finish
- Custom-size design

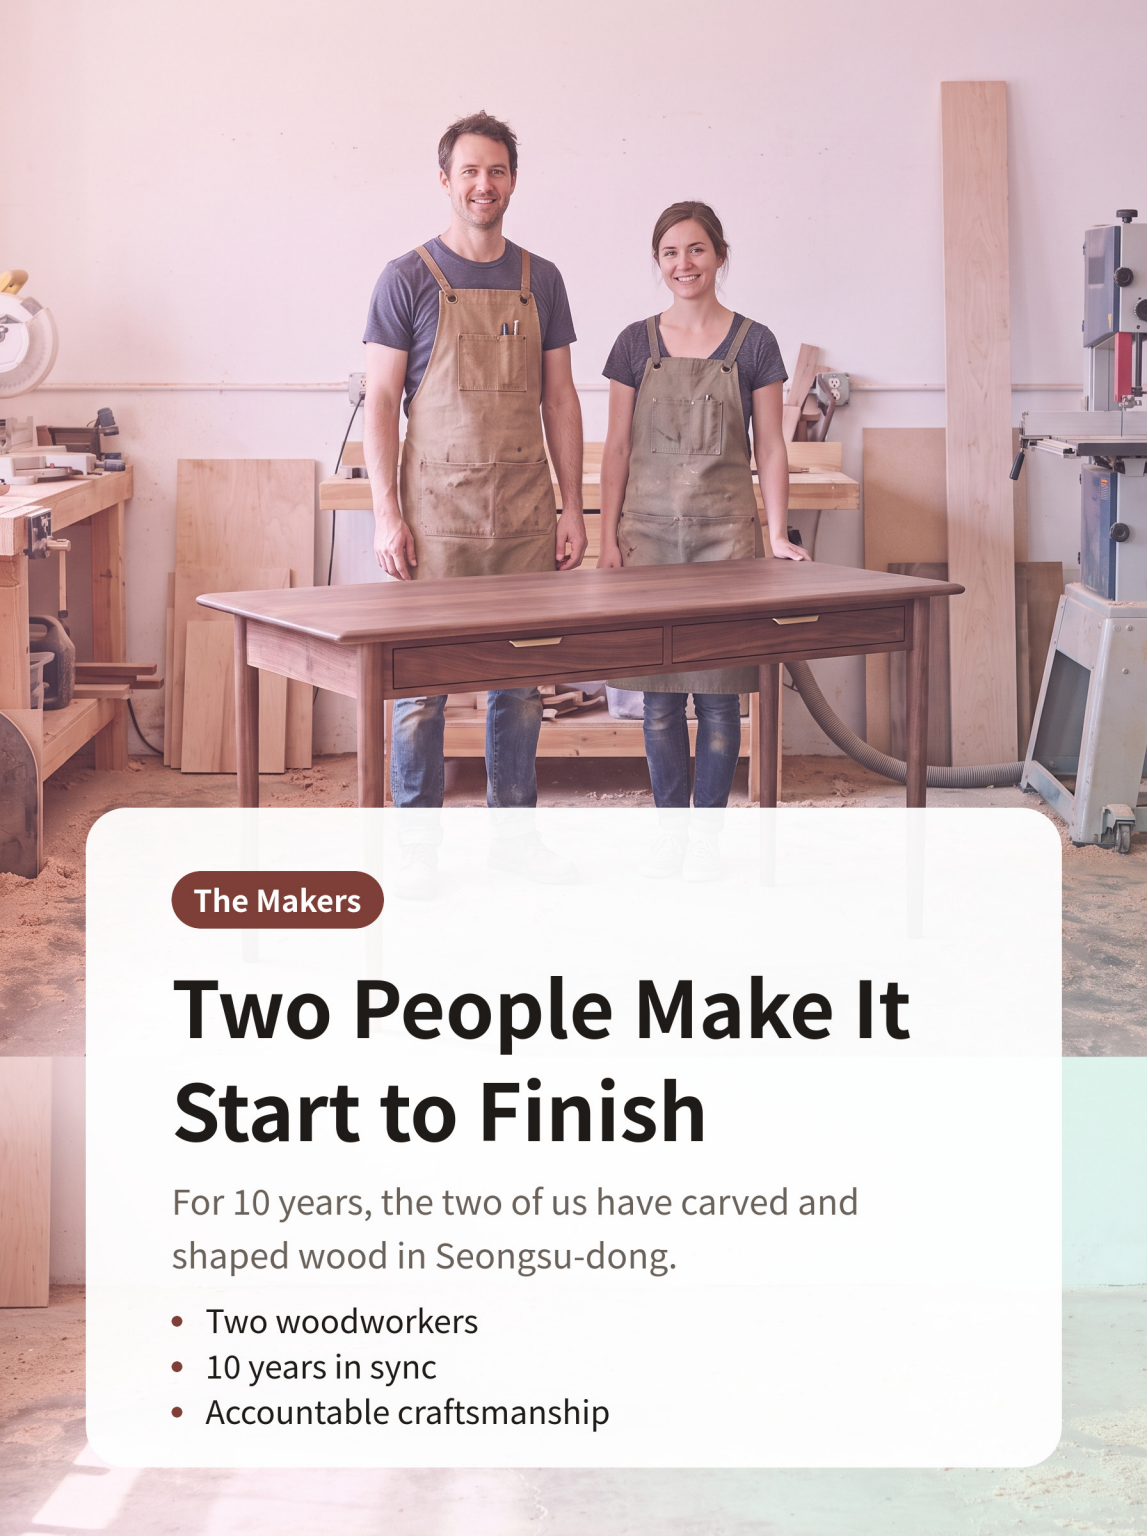

Our Principles

From Choosing Wood to Oil Finish

We pick fine timber, match the grain, and apply natural oil in many coats.

- Select North American hardwood
- Traditional joinery
- Hand-applied natural oil

The Makers

Two People Make It Start to Finish

For 10 years, the two of us have carved and shaped wood in Seongsu-dong.

- Two woodworkers
- 10 years in sync
- Accountable craftsmanship

Finished Furniture

Naturally at Home in Daily Life

Custom desks and cabinets blend comfortably into the feel of the room.

- Desks and cabinets
- Grain shaped by time
- Solid durability
