

Single origin

Coffee grown on Korean soil

The stories of four Korean-grown
beans, steeped in the breath of four
seasons.

Aewol, Jeju

Jeju's fresh volcanic-soil notes

Refreshing citrus aroma and bright acidity shaped by volcanic bedrock water and sea breeze.

- Bright, citrusy acidity
- Soft floral aroma
- Clean, clear finish

Goheung, Jeonnam

Sweetness steeped in Goheung sun

A full body and the nutty sweetness of roasted chestnuts, from abundant sunshine.

- Rich roasted-chestnut nuttiness
- Deep chocolate flavor
- Thick, deep body

Yeongdong, Chungbuk

Deep aroma of the Yeongdong highlands

A deep, wine-like flavor blooming from dense green beans shaped by wide temperature swings.

- Ripe grape flavor
- Subtle wine aroma
- Firm, dense character

Damyang, Jeonnam

Clear finish of Damyang's bamboo

Roasted with the crisp air of the bamboo forest,
with gentle herbal and green tea notes.

- Refreshing herbal aroma
- Crisp green tea finish
- Calm, long aftertaste

the forest and wind beside you today

Enjoy at home beans carefully roasted to capture nature's rhythm.
