

A Night to Go Counting Stars

Deep in the night while everyone sleeps, a little teddy bear tiptoes into the forest.

Walking a Cozy Mossy Path

Lantern lit, the bear walks carefully over the soft green moss.

Twinkling Stars Appear

Bright stars peek out between the tall trees.

One, Two, Let's Count the Stars

Standing under the wide night sky, the bear counts the shining stars one by one.

A Heart Filling with Starlight

Setting the lantern down nearby, the bear feels the warmth of the starlight.

Off to Dream of Starlight

Holding a heart full of starlight, the bear happily heads to bed.
